## VEHICLE MODIFICATION

Vehicle Modification changes the basic model of the van or bus and creates an added value product. Our design team finds a way to fill every corner with a useful solution. Each modification is carefully installed and thoroughly tested by our design team before being handed over to the customer.

### OUR GOAL:

The same comfort and efficiency wherever you go for a job!

### DIFFERENT TYPES OF MODIFICATIONS:

- Mobile office (toll inspection, insurance companies, etc.)
- Mobile lab (blood collection, Methadone therapy, etc.)
- Mobile studio (radio and TV for signal transmission and live broadcasting)
- Mobile library
- Mobile snack bar
- Transportation for people with special needs
- And more!

DIFFERENT TYPES OF EQUIPMENT AVAILABLE FOR INSTALLATION:

- Generators
- Batteries
- Additional lights
- Storage for special tools
- Cameras
- Additional windows
- Additional screen wipers
- Etc.

DIFFERENT MODIFICATIONS FOR EXISTING COMPONENTS:

- Chassis reinforcement
- Repainting
- Etc.

We provide homologation after each vehicle modification.  
Tell us your ideas and we can give you our solution!
